June 23

Water Games

2016 Summer Reading Program Rules

Eligibility: Children ages 2 through 17 can register. Young “listeners” are eligible to participate in the “Read-to-Me” Program.

Registration: Registration begins Friday, May 20. Children must present a DeSoto Parish Library Card at the time of registration.

Participation: Participants will be allowed to log books and receive awards at one library location only. Attendance at library programs is not required for participation in the programs.

Books: Only books from the DeSoto Parish Library may be logged and counted toward

certificates and awards. Participants are allowed to read books in the library without checking them out and record them in their book logs. XF (E) Picture Books will not count for certificates and awards for participants who have completed third grade or higher. Any variation from this rule is at the discretion of the librarian in charge.

Book Logs: Participants will record the books they read during the Summer Reading Program on a book log. Additional sheets of paper may be attached to the original as needed. Check with your library on the date book logs are due.

Awards: Check with your local library for more information.
